

Pocket Shrine Pattern

- 1 Cut one of lining along purple line.
2. Clip curves and trim corners.
3. Fold along red line and press
4. Arrange medals, image and prayer on lining and stitch in place.
5. Cut out leather using the red line.
6. Make holes along the edge of the leather using basting stitch length on an unthreaded sewing machine.

Clip these to help the seam allowance to lay down properly when turned under.

Cut line for Lining and maybe outside case if it's not leather

Clip corners to reduce bulk when seam allowance is turned under.

Cut line for leather
(no seam allowance needed)

Fold

Attach ribbon or elastic band

7. If using snaps or button, apply to leather. Stitch down ribbon or elastic band if that is your closure of choice.
8. Blanket stitch leather and lining together.
9. Optional stitching along dotted lines to help the folding to be neat and tidy.
10. Pray (or maybe that should be step one).
