With regard to the five complete sets of Vestments bought of your firm, I can express only my utmost satisfaction. They have elicited from all who have seen them words of genuine admiration.

REV. JOHN J. KEAN.

CINCINNATI,
ST. FRANCIS DE SALES' CHURCH.

Messrs. Benziger Brothers:

I beg herewith to extend to you my sincerest thanks for the truly magnificent set of Vestments you have furnished us. It is evident that no pains and outlay have been spared to make them very valuable.

Much pains have been taken in drawing the designs, which are entirely original, and especially made to correspond to our Church and new marble Altar. Great taste has been manifested in the exquisiteness of the workmanship. The material is of the finest moire antique, and best quality of gold, and by this you have added another to your many encomiums for truth and honesty.

The Vestments must be seen to be properly appreciated. You have certainly done far more than was anticipated. I hope they may long be an ornament to our Church, and an honor to your old and reliable firm.

Very thankfully yours,
REV. AUG. M. QUATMANN.

NEW YORK,
CHURCH OF THE HOLY INNOCENTS.

Messrs. Benziger Brothers:

I am very much pleased with the different sets of black, green and gold Vestments which you imported for me, and which are much admired.

ERIE, MICH.,
ST. JOSEPH'S CHURCH.

Messrs. Benziger Brothers:

The Vestments, Benediction Velum, etc., which you have imported for us lately (free of duty on affidavit) are very rich, and, considering the quality, *cheap*.

Since 30 years I have been always satisfied with your goods; but it is only justice to compliment you, the last vestments being highly pleasing.

Yours truly,
REV. CH. THOMAS.

PHILADELPHIA, PA.,
ST. MALACHY'S CHURCH.

Messrs. Benziger Brothers:

Yours respectfully,
REV. E. F. PRENDERGAST.

NEW YORK,
ST. PATRICK'S CHURCH.

Messrs. Benziger Brothers:

I feel satisfied you have always done me justice. The Vestments which I procured from you have been all you promised and I had any right to expect.

The Barettas

both Stiff and *Folding*, are made of the best material and workmanship. We aim to make as light a hat as possible for the comfort of the wearer. Our FOLDING BARETTAS are a novelty and convenience, which is gaining favor wherever used. They are alike in shape to the STIFF BARETTA, and can be folded, and when to be used sprung into shape again. They are very convenient for traveling, as they fold into a small package to carry in a valise or coat pocket.

If Barettas are desired to fold this has to be mentioned specially in ordering.

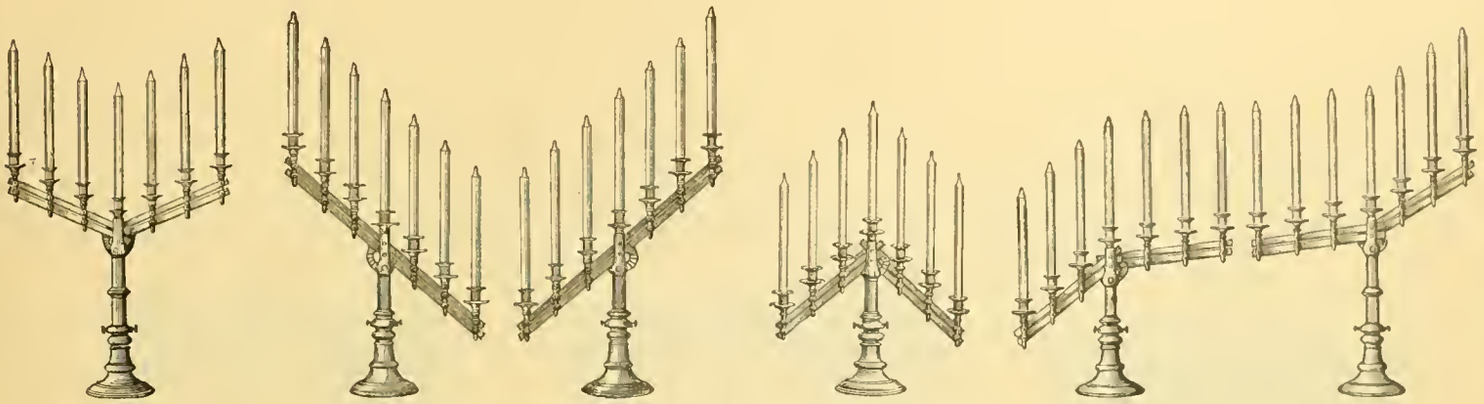
SEPTEMBER 19, 1883.

Benziger's Patent Candelabra.

PATENTED
JULY 31, 1883,
SEPTEMBER 19, 1883.

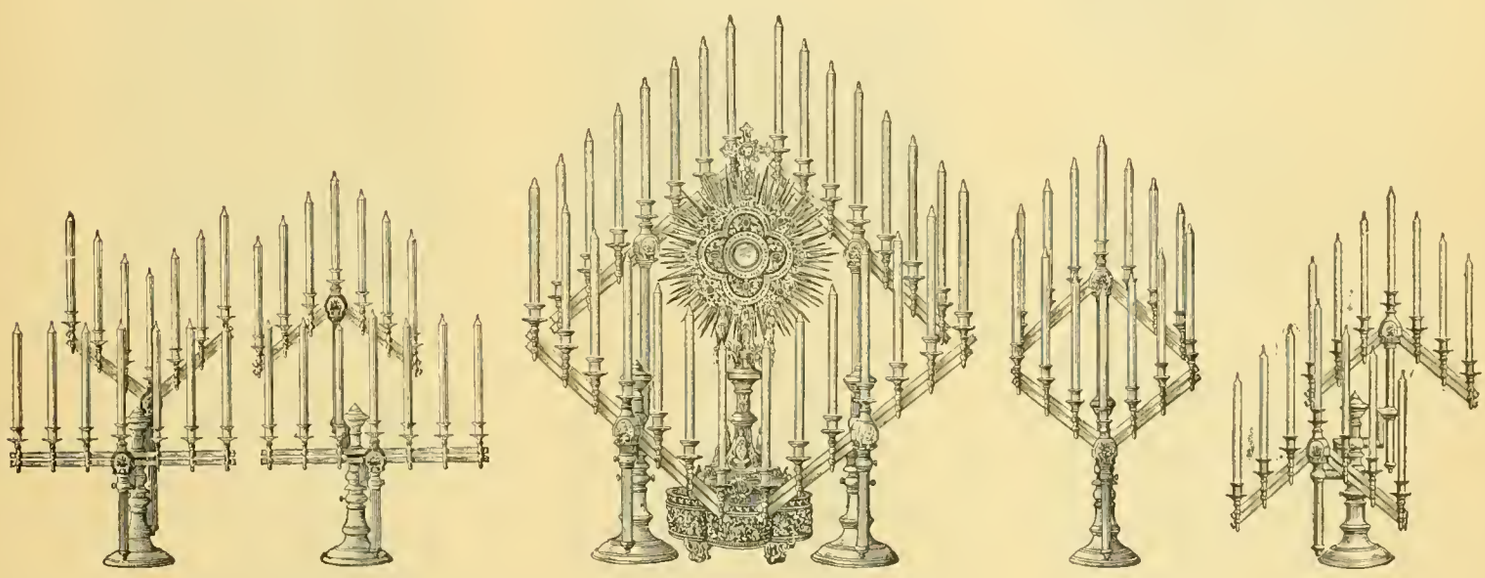
Of brass, varnished.

Are the original and have no equal.



No. 1843. SINGLE ROW PATENT CANDELABRA.

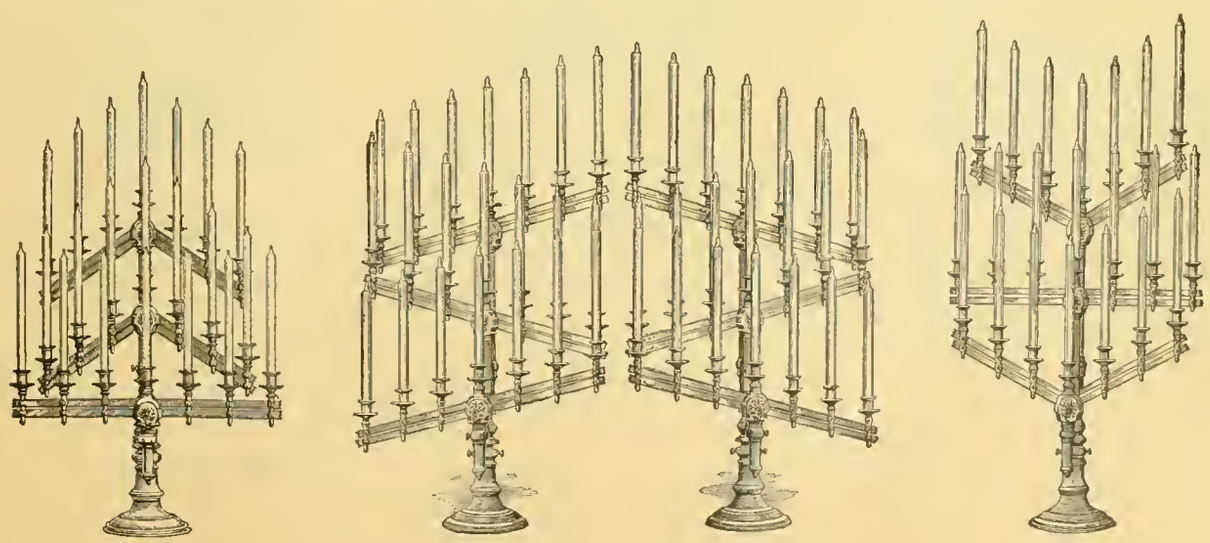
Height of stem, 16 inches, can be raised to 19½ inches.
Per pair, $25.00.



No. 2166. DOUBLE ROW PATENT CANDELABRA.

The two stems can be turned sideways (as shown on one of the illustrations), as well as raised and lowered. Height of front stem, 15½ inches, can be raised to 18 inches. Height of rear stem, 22 inches, can be raised to 33 inches. Per pair, $50.00.

The advantage of our original Patent Candelabrum is that changes of any kind can be made by a single movement of the arms without taking them or the sockets off.



Imitations have been made, but being an infringement had to be altered so that they have none of its advantages.

No. 2167. TRIPLE ROW PATENT CANDELABRA.

Are the same as the double row candelabra, but another branch is added at the knob, and can be changed at will to double row candelabra.
Extra cost of additional row, per pair, $15.00.
